

NSP Facilitating Partners

The MRRD has contracted with 29 Facilitating Partners including one UN Agency (UN-Habitat) to work directly with targeted communities to implement NSP activities at the local level. More than 4,000 FP staff support Programme implementation. Specific activities undertaken by FPs include:

- Educating communities on NSP policies and procedures;
- Facilitating fair and open elections of Community Development Councils (CDCs);
- Providing technical assistance to help CDCs prepare a Community Development Plan, develop subproject proposals, and promote values of transparency and inclusiveness;
- Providing other assistance during project implementation;
- Training CDC members in management skills; and
- Conducting monitoring and reporting.
